Property overview

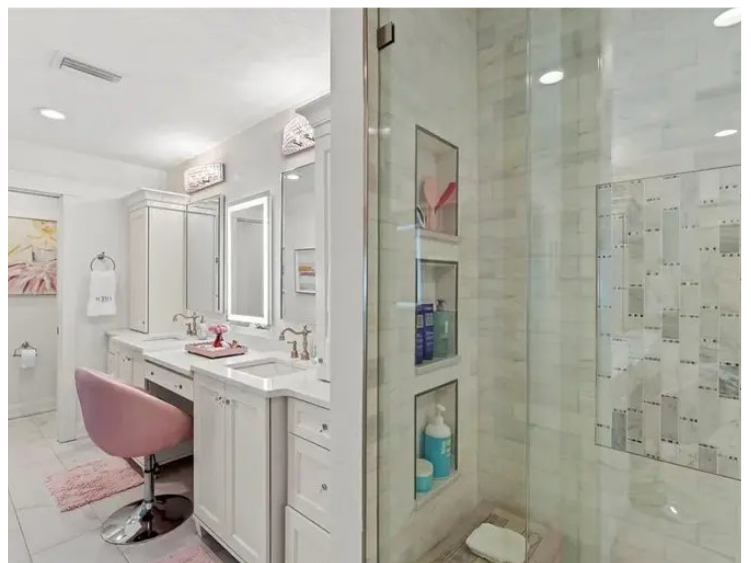

About this property

Possibly one of the most exceptional townhomes ever offered in South Tampa. Just steps from iconic Bayshore Boulevard, this grand colonial-style end-unit residence has been transformed through a meticulous, no-expense-spared renovation that rivals the pages of today's finest design magazines. Every room has been thoughtfully curated, blending timeless architecture with warm organic materials and sophisticated modern finishes to create a home that is both striking and effortlessly livable. The main living level welcomes you with a stunning chef's kitchen centered around an oversized island wrapped in locally reclaimed wood, complemented by matching reclaimed beam accents and custom shelving that add warmth and character throughout the space. An open-concept layout flows seamlessly from the dining area into the expansive living room, complete with a designer wet bar and oversized impact-rated three-panel sliding glass doors that blur the line between indoor and outdoor living. Beyond the glass awaits what may be the home's most remarkable feature—a completely private, fully screened courtyard unlike anything typically found in a townhome. Centered around a heated concrete PRIVATE POOL and surrounded by an expansive paver patio, this outdoor retreat offers exceptional privacy and ample space for entertaining, relaxing, or enjoying Florida living year-round. The first floor also features a flexible guest suite or executive office with a beautifully renovated en-suite bath, making it equally suited for visitors or working from home. Upstairs, the luxurious primary suite serves as a true sanctuary, featuring a spa-inspired bathroom and an impressive custom walk-in closet with thoughtfully designed built-ins. A spacious secondary bedroom enjoys its own beautifully appointed en-suite bath, while a custom-designed laundry room adds both style and functionality to the second floor. As extraordinary as the main residence is, the property continues to impress. Above the detached two-car garage is a fully renovated one-bedroom, one-bath GUEST APARTMENT complete with a kitchenette, its own laundry, ice maker, and designer finishes throughout. Whether used as an executive guest suite, private home office, fitness studio, creative space, or for multigenerational living, this detached residence offers flexibility rarely available in South Tampa. Combining magazine-worthy design, exceptional craftsmanship, an incredibly rare private pool, detached guest quarters, and one of South Tampa's most coveted locations just moments from Bayshore Boulevard, this is a residence that stands in a class of its own.
