Property overview

About this property

Prime location, quality finishes, functional space, and the ability for a home to evolve with its owners all come together at 3615 W. Renellie Circle. ****Note: The property is professionally staged. Not virtually staged. Some rooms show before and after staging for scale.**** Located in an established 33629 neighborhood and within the Dale Mabry Elementary, Coleman Middle, and Plant High School district, this approximately 3,200- square-foot home offers a rare combination of modern functionality and a highly sought-after South Tampa setting. Built in 2016, the home offers the advantages of a newer- construction without giving up the mature neighborhood setting that makes this area so appealing. The thoughtfully designed floor plan includes four bedrooms, four full baths, and flexible spaces that can adapt to work, guests, hobbies, or everyday living. The main living areas are open, welcoming, and designed for both daily life and entertaining. Rich wood flooring, abundant natural light, and quality finishes carry throughout the living spaces, while the kitchen serves as a natural centerpiece with custom wood cabinetry, stone countertops, a large center island, stainless steel appliances, double ovens, a cooktop, and walk-in pantry. The primary suite provides a comfortable retreat with a generous walk-in closet, dual vanities, separate shower, and soaking tub. Additional bedrooms and well-appointed baths provide privacy and flexibility for family members and guests, including a private en-suite bedroom and a Jack-and-Jill bath connecting two additional bedrooms. The property also includes a first-floor flex room and full bath with walk-in shower, adding another useful dimension to the home—perfect for an office, guest space, playroom, or additional living area. Upstairs, a dedicated laundry room keeps everyday functionality exactly where it belongs. Outside, the fenced and tree-lined backyard provides privacy and a natural extension of the home's living space. The covered outdoor area creates an inviting place to relax or entertain, while fresh landscaping gives the property a polished, finished feel. For those looking to create an even more substantial outdoor retreat, a professionally developed pool and outdoor living concept provides a vision for the backyard's potential. The opportunity is there to create a pool and entertaining environment tailored to the way the next owner wants to enjoy the home. Ultimately, 3615 W. Renellie Circle brings together the elements that continue to matter in South Tampa: a desirable location, highly regarded schools, a well-designed home, generous living space, and room to make the property your own. It is a home that works beautifully for today's lifestyle while offering the kind of location and underlying fundamentals that will remain valuable for many years to come.
