Property overview

About this property

Waterfront living takes center stage in this impeccably maintained end-unit townhome within the gated Inlet Shores community of Westshore Marina District. Built in 2022 and offering nearly 3,000 square feet, this luxurious 4-bedroom, 3.5-bath residence combines low-maintenance living with endless water views, three impressive outdoor spaces, and thoughtfully designed interiors. Currently the only waterfront end unit townhome available in the community, it also remained HIGH & DRY and undisturbed by Hurricanes Helene and Milton. HOA covers water, sewer, trash, landscaping and flood insurance. Beautifully updated and exceptionally cared for, the home features fresh interior paint throughout, new kitchen and dining light fixtures, and an updated powder room with a new vanity, mirror, and lighting. The private elevator has also been professionally serviced annually. Premium construction and finishes include hurricane-impact windows, all-block construction, wood and tile flooring throughout—no carpet—and a whole-home water softener. A spacious 2-car garage provides generous parking and storage. The entry level offers a private guest suite with a full bathroom and flexible space ideal for visitors, an in-law suite, home office, fitness room, or bonus room. French doors open to a peaceful covered lanai overlooking the waterfront. The main living level was designed for both everyday comfort and entertaining. Natural light fills the open-concept living and dining areas, while the gourmet kitchen features quartz countertops, 42-inch cabinetry with decorative glass accents, a spacious walk-in pantry, a large center island with farmhouse sink, and GE Profile stainless steel appliances, including a new induction stove. The living room extends onto a second covered lanai with tropical-storm-rated Maestrosshield Solar Screens (added in 2023), creating a seamless indoor-outdoor setting for dining, relaxing, and enjoying the view. The top floor is home to a serene primary suite with beautiful water views, a generously sized walk-in closet with custom built-ins, and a luxurious bathroom with double vanities and a frameless glass shower. Two additional bedrooms share a full bathroom with a tub, while the conveniently located laundry room completes the bedroom level. Above it all, the approximately 320-square-foot covered rooftop deck offers a spectacular setting for entertaining or unwinding while taking in panoramic Tampa Bay views. Maestrosshield Solar Screens provide additional privacy and comfort -- and existing hookups allow for the future addition of an outdoor kitchen. Residents of Inlet Shores also enjoy waterfront walking paths, a community firepit, and a resort-style pool with cabanas. The HOA includes water, sewer, trash, landscaping, and flood insurance. Located in the heart of Westshore Marina District, the home is just steps from restaurants, shops, neighborhood events, and Duckweed Urban Grocery. Salt Shack and Hula Bay are only minutes away, along with convenient access to Hyde Park Village, International Plaza, Tampa International Airport, and the beaches. Offering exceptional upgrades, flexible living spaces, and some of the most captivating views in the community, this turnkey waterfront residence delivers the very best of South Tampa living.
