Situated on THREE lots with approximately 150 feet of width and more than 200 feet of depth, this unique property offers beautiful views of majestic cypress trees and a tranquil natural lake. With some additional clearing, there is potential to expand the waterfront view and possibly enjoy the lake by kayak. Major updates have already been completed, including a NEW ROOF (2025), HVAC (2025), STOVE (2025), Water Heater (2023), and NEW POOL PUMP (2026), making this home ready for its next owner. Inside, the open-concept kitchen overlooks the living and dining areas and features lots of cabinetry, granite countertops, stainless steel appliances, a pantry closet, and abundant natural light. The living room is highlighted by a wood-burning fireplace, creating a warm and inviting gathering space. An oversized Florida room provides even more flexibility and is ideal for a second living area, game room, recreation space, or simply a comfortable place to relax while overlooking the serene backyard. Step outside to your own private Florida retreat. The screened-in pool and spacious wood deck provide plenty of room for entertaining, lounging, and enjoying the surrounding natural beauty. With nearly an acre, this property offers space for so much more. The onsite greenhouse can be used for growing herbs and vegetables or repurposed as a workshop. Bring the boat, RV, work vehicles, 4-wheelers, and recreational toys—there is ample space along the side of the home, including one covered stall. The home is serviced by well and septic and includes an OWNED Culligan water treatment system and water softener. Best of all, NO HOA means no additional HOA dues or restrictions. Conveniently located near Lutz Preparatory (K-8) and Steinbrenner High School, with easy access to US 41, the Veterans Expressway, and I-275. Restaurants, shopping, Tampa Premium Outlets, The Shops at Wiregrass, Tampa International Airport, Busch Gardens, Florida beaches, and everything in the area is within easy reach.
