Property overview

About this property

Built in 1925 and still full of character, this eclectic 3 bedroom home sits on a large corner lot in Southeast Seminole Heights. From the hardwood floors and vintage architectural details to the open front patio, the home carries a distinctive look and feel that reflects nearly a century of Tampa history. The generous lot provides plenty of outdoor space along with covered parking, while the three-bedroom layout offers flexibility that can be hard to find in homes of this era. This is an older property that will need updating and improvements, making it a great opportunity for someone who appreciates vintage homes and wants to bring their own vision to a property with genuine personality. With its large corner lot, 1920s charm, and convenient Seminole Heights location, this is a home with plenty of potential for the right buyer.
