Property overview

About this property

Experience elevated coastal luxury in this stunning three-story all-concrete Mediterranean estate offering four bedrooms, four full baths, a five-car garage and a beautiful heated salt pool, all positioned on an oversized lot directly on the Gulf with unobstructed picturesque water views. An elegant double spiral staircase and water fountain lead to a grand double wooden entry door outfitted with wrought iron that sets the tone for the exceptional craftsmanship and opulence found throughout. This property was constructed to the highest standards with insulated concrete forms, concrete flooring and balconies with steel truss reinforcement, hurricane-rated windows, cast-in-place concrete walls and 45-foot-deep foundation pilings for added structure and longevity. The main living level features eye-catching open water views as you enter, gorgeous travertine flooring, recessed lighting and an oversized family room showcasing a beautifully detailed soaring coffered ceiling. The ornate mantle features a gas fireplace that creates a warm focal point, while a wall of sliding glass doors and transom windows provides abundant water views, natural light, serene sunsets and seamless access to the outdoor balcony living space. A sophisticated wet bar, built-in surround sound and versatile office or fourth bedroom, with glass French door balcony access, further enhance the living experience. The gourmet kitchen is well appointed with custom solid wood cabinetry, a JennAir gas cooktop with built-in double ovens, a kitchen island with a prep sink, three separate spacious pantries, granite countertops, a breakfast area overlooking the water and adjacent formal dining with an accent tray ceiling. A dedicated media room with a 120-inch projection screen coupled with surround sound provides the perfect space for movie nights and entertainment. The third floor is a private retreat with three separate suites, adorned with Brazilian hardwood flooring throughout. The lavish primary suite features sliding glass doors opening to a covered private balcony with endless water views. The spa-inspired primary bath features his-and-hers walk-in closets, split vanities, a walk-in shower with marble accents and an exquisite jetted soaking tub framed by decorative columns. Two additional suites offer privacy and comfort, with one having sliding glass doors leading to its own private covered balcony. Outside, enjoy an oversized heated saltwater pool and spa while taking in the panoramic water views. Ample backyard space is outfitted with an elevated sense of privacy, a firepit and stairs leading directly into Gulf waters, making water activities achievable. Additional features include a new elevator that connects every level, making multi-generational living achievable; split-zoned HVAC; two tankless gas water heaters; a security camera system; and a central vacuum. Conveniently located nearby are Weeki Wachee Springs State Park, Rogers Park, Pine Island Park and SunWest Park. Residents also enjoy nearby local one-of-a-kind dining and entertainment, marinas, waterfront attractions and shopping, while larger destinations such as Spring Hill, Tarpon Springs and the Tampa Bay area are within a comfortable drive.
