Property overview

About this property

Short Sale. Contemporary design, exceptional outdoor living, and a central Tampa location come together in this spacious 4-bedroom, 3-bath home offering approximately 2,531 square feet of living space with a two-car garage. The home's open floor plan creates an inviting environment for everyday living and entertaining, with high ceilings and modern finishes contributing to a bright, contemporary feel. Four bedrooms and three full baths provide flexibility for family, guests, a home office, or a variety of living arrangements. Outside is where this home really embraces the Florida lifestyle. A private pool and spa anchor the backyard, while the outdoor kitchen creates a natural gathering place for weekends by the pool, casual dinners, and entertaining friends and family. The combination of indoor and outdoor spaces allows the home to live comfortably well beyond its interior square footage. Following a period of vacancy, the property would benefit from routine cleaning and renewed attention to the pool, landscaping, and outdoor areas to return them to their best presentation. Based on available information, the home otherwise appears to offer a strong foundation with primarily refreshing and deferred upkeep to address. Buyers are encouraged to conduct thorough inspections and independently verify the condition and functionality of all systems, components, and improvements. The central Tampa location is another standout. Raymond James Stadium is nearby, along with convenient access to Midtown Tampa, International Plaza, Tampa International Airport, downtown Tampa, dining, shopping, entertainment, and major transportation routes. Whether heading out for a game, dinner, a flight, or a night downtown, much of Tampa is within easy reach. With newer construction, contemporary design, a private pool and spa, outdoor kitchen, flexible four-bedroom layout, and a location convenient to many of Tampa's major destinations, this home offers an appealing combination of lifestyle, space, and potential. Buyers should verify all information. Agents: Please review all private remarks and MLS supplements prior to scheduling a showing or submitting an offer.
