Property overview

About this property

Short Sale. Modern luxury and exceptional space come together in this impressive South Tampa residence, built in 2024 and offering approximately 4,190 square feet of living space according to county records. With 4 bedrooms, 4.5 baths, a private pool, three-car garage, and multiple outdoor living areas, the home was designed to provide plenty of room for both everyday living and entertaining. At the heart of the home is an exceptional kitchen featuring an elegant contemporary design, high-end appliances, generous workspace, and finishes befitting a home of this caliber. Spacious living and dining areas complement the kitchen, creating an inviting environment for everything from quiet evenings at home to larger gatherings with family and friends. The bedrooms are generously proportioned, with abundant closet space throughout. The primary suite enjoys its own private front-facing deck, creating an additional place to step outside and unwind, while another deck off the kitchen extends the living space outdoors. The home's outdoor areas continue at ground level, where the pool, patio, and surrounding entertaining space create the foundation for a private South Tampa retreat. Following a period of vacancy, the property would benefit from professional cleaning along with attention to the landscaping and pool to return these areas to their best presentation. Based on available information, the home otherwise appears to require little beyond this routine refreshing. Buyers are encouraged to conduct their own inspections and independently verify the condition and functionality of all systems, components, and improvements. The location adds another dimension to the property. Situated in desirable South Tampa, the home provides convenient access to Bayshore Boulevard, Hyde Park and SoHo, Westshore shopping and dining, downtown Tampa, Tampa International Airport, and the many dining, entertainment, and recreational options that make this area one of Tampa's most sought-after places to live. With nearly new construction, more than 4,000 square feet of living space, an exceptional kitchen, spacious bedrooms, multiple decks, a private pool, and an outstanding South Tampa location, this is a home designed to be enjoyed. Buyers should verify all information. Agents: Please review all private remarks and MLS supplements prior to scheduling a showing or submitting an offer.
