Property overview

About this property

Tucked inside a quiet, established condo community, this home offers something buyers are increasingly looking for: a peaceful setting with everyday convenience close by. Step inside to an inviting layout with updated flooring and refreshed bedrooms, an open kitchen with a breakfast bar, stainless-steel appliances, a refrigerator replaced in 2022, and a Moen kitchen faucet. The community also installed a new roof in 2022, adding another meaningful update for the next owner. But what makes this home especially appealing is the setting. From the front door and windows, you can enjoy a relaxing view toward the pond and surrounding green space. Take a walk, sit on one of the benches near the water, or enjoy the ample open areas that make daily dog walks feel easy instead of cramped. The community is known for being quiet, with ample guest parking, a community pool, and responsive condo management and maintenance. And when you want to head out, everyday life is remarkably convenient. Publix and a gym are just across the street, while Universal, the Mall at Millenia area, and the coffee shops, bakeries, restaurants, and everyday conveniences along Kirkman and Conroy are all close by. Add in the garage and the amount of open green space surrounding the community, and this home offers a combination that can be hard to find in this part of Orlando: peace when you're home, convenience when you leave, and room to enjoy both. Contact us today to schedule your private showing and experience the setting for yourself.
