Property overview

About this property

Some houses are simply cute. This one has that unmistakable Safety Harbor charm...warm, inviting, and surrounded by the beauty of mature trees and lush landscaping. This beautifully maintained 3 bedroom pool home offers a comfortable layout with thoughtful updates and plenty of character. The kitchen features a newer stove and dishwasher, plus a charming coffee bar that will make mornings a little sweeter. Three cozy bedrooms offer generous closets with built-in shelving, while a wood-burning fireplace brings warmth and personality to the living room. At the rear of the home, the light-filled Florida room naturally blends the indoors with the outdoors. Large sliding doors frame views of the pool and garden, making this versatile space ideal for morning coffee, casual gatherings, or simply enjoying the peaceful surroundings. Beyond the glass, a covered lanai, screened pool, mature palms, lush plantings, and fully fenced yard create a secluded setting for enjoying the best of the Florida climate. A one car garage provides convenient parking and storage with a beautifully appointed laundry area. The pool enclosure was re-screened in 2026, and the pool pump has a newer motor and timer box. Additional updates include a 2020 HVAC condenser and impact rated front door and front of home windows. The existing floor plan also offers an opportunity to explore adding a second bathroom, allowing the next owner to further customize the home over time. Just minutes from downtown Safety Harbor, you're close to local restaurants, coffee shops, breweries, boutiques, markets, waterfront parks, recreation facilities, pickleball courts, and scenic Tampa Bay trails. Tampa International Airport, award-winning Gulf beaches, Honeymoon Island, and nearby marinas are also within easy reach.
