Property overview

About this property

Virtually Staged. In the heart of Palma Ceia on a corner lot with brick streets you will be at home with an amazing location providing flexibility, and low-maintenance living in South Tampa. The main house offers 2 bedrooms and 2.5 baths across a smart, easy-to-love layout complete with a Sonos speaker system. The kitchen is equipped with a gas stove ready for the home cook. The water heater, washer and dryer are also gas appliances. A screened area between the house and garage adds outdoor living without the upkeep of a big yard which is perfect for morning coffee or evening wind-down. Above the detached 2-car garage sits a private 312-square-foot ADU with its own bedroom and bath, ideal as a guest suite, home office, or income-producing rental. Durable metal roof for long-term peace of mind. Total living space spans just over 2000 square feet across both structures. All of this sits walkable to Bayshore Boulevard, Hyde Park Village, Palma Ceia County Club and everything that makes South Tampa one of the city's most sought-after pockets. Whether you're buying up, scaling down, or need flexible space for family or guests, this corner-lot gem delivers. Hurricane windows were installed in 2019. Sprinkler system was replaced in 2024, new hot water heater in 2024 and there is a transferrable termite warranty with this home. Ask about preferred lender incentives! Buyers may qualify for rate buy down options, including a 1-0 buy down, to help lower payments.
