Property overview

About this property

Virtually Staged. Built in 1927 and approaching its centennial, this three-bedroom, two-bathroom Tampa bungalow pairs its original-era character with a remodel completed in 2022. Offering 1,200 square feet of living space, the home is positioned on a corner lot with a fenced yard and detached block-constructed garage. Inside, the open floor plan connects the living, dining, and kitchen areas, while multiple windows and recessed lighting create a bright, welcoming atmosphere. Wood-look tile flooring runs throughout the main living areas and bedrooms, providing a consistent flow from room to room. The kitchen offers timeless finishes, including white shaker cabinetry with gold-toned hardware, quartz countertops with a waterfall edge, stainless steel appliances, and an island with seating. Located at the rear of the home, the primary bedroom offers generous space for furniture and ample closet storage. The en suite bathroom has a marble-look tiled walk-in shower and distinctive gray-and-white geometric flooring. The two secondary bedrooms can accommodate guests or office space, and one includes an oversized walk-in closet. The second full bathroom includes a tub-and-shower combination with coordinated floor and wall tile, complemented by gold-toned fixtures. Additional improvements include a roof installed in 2022, an HVAC system installed in 2024, and an electrical panel with upgraded wiring completed in 2021. The property has no HOA or CDD and is located in Flood Zone X. Nearby Ragan Park spans more than 10 acres and offers a playground, pond, walking and fitness trail, exercise stations, picnic areas, and open green space. The home is also close to Historic Ybor City, Seminole Heights, Armature Works, Downtown Tampa, Water Street, and the Tampa Riverwalk. Access to I-275 and I-4 provides connections to Tampa International Airport and destinations throughout the Tampa Bay area.
