Property overview

About this property

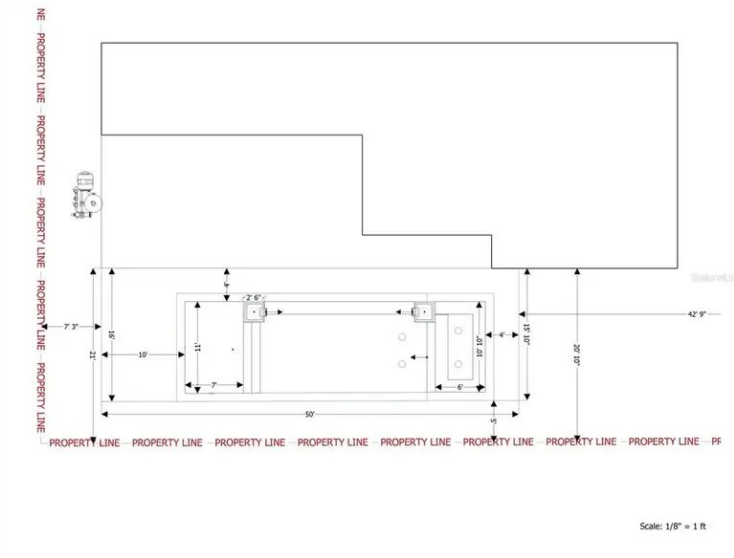

Under Construction. Introducing a stunning TB Homes new-construction Anguilla Model residence in Palma Ceia, ideally situated in one of South Tampa's most sought-after neighborhoods on an oversized 100 x 100 lot. This exceptional 5-bedroom, 5-full-bath, 2-half-bath home offers 5,335 square feet of luxurious living space and 6,800 square feet under roof, thoughtfully designed for sophisticated everyday living and effortless entertaining. The modern transitional architecture pairs a warm white stucco with a charcoal shingle roof, black-framed impact windows, a striking Cantera steel double front door and warm wood-accented outdoor ceilings. Inside, 10-foot ceilings, wide-plank oak flooring, crown molding, custom built-ins and a refined palette create an elevated yet welcoming atmosphere. The impressive great room features stained ceiling beams, a gas fireplace with custom pre-cast concrete surround, cabinetry built-ins and expansive sliding glass doors that open seamlessly to the outdoor living space. At the heart of the home is a beautifully appointed chef's kitchen featuring linen shaker cabinetry, a large white oak island and custom hood, Taj Mahal Extra Leathered countertops and backsplash, and a premium Sub-Zero/Wolf appliance package including a 48-inch professional gas range, 30" paneled refrigerator and 30" freezer column, 24" paneled wine storage column, dishwasher and microwave drawer. A spacious pantry with custom shelving and a thoughtfully designed mud area add exceptional functionality. The luxurious primary suite features a tray ceiling, custom closet systems and a spa-inspired bathroom with white oak cabinetry, marble flooring, a freestanding soaking tub and an oversized shower with multiple Brizo fixtures, rain head and handheld shower. Four additional bedrooms provide generous accommodations (1 suite is located on the 1st floor), while the dedicated study with glass French doors and upstairs media room with custom dry bar, dedicated powder bathroom, and pre-wired Control4 technology offer versatile spaces for work, relaxation and entertaining. Outdoor living is truly exceptional, with a covered rear lanai, summer kitchen, resort-style pool and spa, sun shelf, fire/water bowls, salt system, automation and gas heater. The outdoor kitchen is beautifully finished with premium porcelain countertops, a built-in Artisan grill, outdoor refrigerator, sink, storage and custom tile backsplash. Lime Rock terrazzo and a rich tongue and groove wood ceiling complete the sophisticated exterior space. Notable upgrades and technology include a 24KW Generac whole-home generator with 200-amp automatic transfer switch, Pre-wired Control4 smart-home automation, 22 CAT 6 electric-shade prewires, home security and camera prewiring, surround-sound prewiring, two high-efficiency Trane HVAC systems, two Rinnai tankless gas water heaters, custom closet systems throughout, a 220-volt EV charging outlet and impact-rated windows and doors. The home also includes a 3-car garage with epoxy flooring and premium Clopay Coachman garage doors. Every detail has been thoughtfully selected to deliver the comfort, quality and sophistication expected in a premier Tampa luxury residence. A rare opportunity to own an extraordinary new-construction home combining timeless
