Property overview

About this property

Waterfront Living Without the Waterfront Price Tag Wake up to bay views every morning and step out onto your screened patio to take it all in. This bright, open-concept one bedroom, one bath condo sits right off Gandy Boulevard with water views that make every day feel like a weekend. The open floor plan keeps things airy and functional, and the screened patio gives you a private perch to enjoy the breeze off the bay year round. Whether you're sipping your morning coffee or watching the sun dip below the water at night, this space delivers. Location is everything here. Hop on the Gandy Bridge and you're in St. Pete in minutes. Stay on this side and downtown Tampa, SoHo, and the Westshore Marina District are just a short drive away. You are genuinely central to the best of Tampa Bay. The community backs it all up with a private pool, a dog park, and gated access. Boat slips are available for purchase exclusively to condo owners, making this a legitimate waterfront lifestyle option at a fraction of the price of a single family home on the water. Dogs are welcome, the views are included, and the location does not get more convenient than this. If you have been waiting for your entry point into waterfront living in Tampa Bay, this is it.
