Property overview

About this property

Welcome to 6613 Travis, a completely reimagined 4-bedroom, 3-bath waterfront home (Not in a Flood Zone) on nearly half an acre, where extensive renovations meet the ultimate Tampa Bay lifestyle. Taken down to the studs and thoughtfully rebuilt, this one-of-a-kind property blends polished terrazzo floors with modern finishes, incredible versatility, direct access to life on the water, and an unbeatable location close to everything Tampa has to offer. Extensive updates done in 2022 include all-new windows and insulation, updated plumbing, completely new electrical wiring and panel, new A/C and ductwork, new water heater, new interior doors, fresh paint, refinished ceilings, and new ceiling fans. The updated kitchen makes a statement with custom cabinetry, pantry, new appliances (2022), recessed lighting, and a spacious eat-in island with bar seating—perfect for everyday living and entertaining. A converted in-law suite adds exceptional flexibility with a private exterior entrance, full bath, dual closets, and French doors opening to a paver patio. Ideal for multigenerational living, guests, or a private retreat, the separate entrance and layout also offer potential for rental or Airbnb income. Outside is where this property truly shines. Situated directly on a canal with access to Lake Bellows, the home features a redone dock and a naturally sloped area of the property offering potential to launch a boat directly into the canal. Spend your days boating, water skiing, jet skiing, kayaking, fishing, or simply enjoying the waterfront from your own backyard. The nearby East Lake Park Community Center offers the opportunity to join for access to community boat ramps and additional lake access. With nearly half an acre, there is plenty of room for boat and RV parking, plus two storage sheds for tools, boating equipment, and recreational gear. A large covered patio and outdoor bar with kegerator create the perfect backdrop for game days, sunset drinks, entertaining, or laid-back evenings by the water. And when you're ready to trade waterfront relaxation for Tampa's active lifestyle, you won't have to go far. The home is within walking distance of the Hard Rock and MIDFLORIDA Credit Union Amphitheatre, putting concerts, entertainment, dining, and nightlife practically at your doorstep. Downtown Tampa is approximately 10 minutes away, while Tampa International Airport is approximately 15 minutes away, making it easy to enjoy everything from Water Street and the Riverwalk to sporting events, restaurants, nightlife, and Tampa's ever-growing entertainment scene. The home may also be offered partially furnished. Extensively renovated, incredibly versatile, and positioned between waterfront recreation and the energy of the city, 6613 Travis offers something increasingly hard to find—the space and freedom to boat, entertain, and unwind at home while staying just minutes from the heart of Tampa.
