Property overview

About this property

Welcome to Residence 1106 at The Pinnacle, an 11th-floor, two-bedroom, two-bath condominium along Tampa's iconic Bayshore Boulevard in South Tampa. This 1,178-square-foot home offers downtown Tampa skyline views, partial Tampa Bay/harbor water views and sunset views from its private balcony, plus a living room/dining room combination, a main-level primary suite with en-suite bath and walk-in closet, and a kitchen with plenty of storage and counter space. Interior updates include renovated bathrooms, stainless steel appliances (all included, reported under five years old), luxury vinyl plank flooring in the primary living areas with tile in the kitchen, laundry room and second bedroom, and an inside laundry room. The unit also includes a private storage unit and two assigned under-building parking spaces (one secure garage space and one additional space). The Pinnacle is a full-amenity high-rise community with a waterfront pool, two fitness centers with separate cardio and weight rooms and a sauna, two observation decks (one overlooking Bayshore Boulevard), a recreation room with library, a private dog area, bike storage, and guest suites available for visiting family and friends. The building offers 24x7 front-desk/guard-monitored entry and secure garage parking. HOA fees are reported to include cable, internet, water, sewer, trash, building insurance and exterior/grounds maintenance (buyer to confirm current monthly fee and full inclusions with the association). Directly across from the scenic Bayshore Boulevard waterfront promenade (popular with walkers, runners and cyclists) the home is minutes from downtown Tampa, Hyde Park Village, Water Street, MacDill Air Force Base and Tampa International Airport. Association approval is required for buyers; pets welcome per association guidelines. Unit is vacant and available for a quick close. Buyer/buyer's agent to verify all room dimensions, square footage, HOA fees, association rules, and any recent milestone inspection/SIRS or assessment status with the condominium association.
