Property overview

About this property

Welcome to this exceptional South Tampa home, custom built by Castle Construction & Design, where quality construction, thoughtful design, and enduring craftsmanship come together to create a truly special home. From the moment you arrive, the quality is evident. The property features a beautiful paver driveway and front patio, vinyl privacy fencing, durable Hardie Board siding, an impressive 8-foot front door with glass, an insulated hurricane-rated garage door, 30-year dimensional shingles, insulated windows, and an epoxy-coated garage floor. Every element reflects the attention to detail and quality construction Castle Construction is known for. Inside, the beautifully designed floor plan offers an inviting combination of function and elevated finishes. The main living areas, downstairs bedroom and primary bedroom feature 7-inch-wide oak hardwood flooring, complemented by designer carpet in two secondary bedrooms and beautiful wood stairs. The heart of the home is the impressive kitchen, featuring quartz countertops, a stunning waterfall island, tile backsplash, 42-inch shaker-style upper cabinets, soft-close doors and drawers, cedar floating shelves, and a new Samsung Bespoke refrigerator. The open living area is enhanced by a striking shiplap accent wall and custom shiplap detailing on the back of the island. Quality craftsmanship continues throughout the home with crown molding, detailed wood trim and box molding in the foyer, wood window sills, custom window trim, shaker-style 5-panel doors, upgraded dark door hardware, and upgraded cabinet hardware. An upgraded lighting package, designer fans, and upgraded plumbing fixtures further elevate the home. Thoughtful details extend to the home's functionality, including surround-sound in the living room and bonus room, and a beautifully finished laundry room with custom cabinetry, quartz countertops, and quartz sink. Upstairs, the spacious loft is filled with natural light and features a wet bar with mini refrigerator, along with a large 6' x 4' storage closet. The private primary suite offers a spacious walk-in closet with additional built-in storage. The luxurious primary bath creates a spa-like retreat with upgraded wall and floor tile, a marble shower floor, linear shower drain, oversized freestanding soaking tub, and vaulted ceiling. This is more than a beautifully finished home—it is a custom-built residence where the quality of construction is evident in the materials, craftsmanship, structural features, and attention to detail throughout. Built by Castle Construction & Design, this home offers the opportunity to enjoy the confidence that comes with quality construction while surrounded by beautiful, modern finishes. Come experience the craftsmanship, quality, and thoughtful design for yourself. Call today to schedule your private tour!
