Property overview

About this property

Welcome to 511 E Francis Avenue, a fully remodeled historic bungalow in the heart of Tampa Heights, just minutes from Downtown Tampa, Armature Works, the Riverwalk, and everything the Heights has to offer. Set on an oversized lot alongside a large community garden, the property offers additional privacy with no immediate neighbor on one side and charming curb appeal from the moment you arrive. Beyond the beautifully updated home, the property offers exciting future potential. With alley access and favorable zoning, the lot may provide an opportunity for a detached ADU, a two-car garage, or an ADU situated above a two-car garage creating flexibility for additional living space, a guest suite, home office, or future income potential. Buyer to independently verify all zoning, permitting, setbacks, and ADU eligibility with the City of Tampa. The home has been thoughtfully remodeled while maintaining the character and charm of a classic Tampa Heights bungalow. For added peace of mind, a clean four-point inspection and full home inspection were completed prior to listing. A turnkey home, oversized lot, alley access, and future potential in one of Tampa's most sought-after historic neighborhoods. This one won't last.
