Property overview

About this property

Mediterranean style meets a real peace of mind in this 3 bed, 3 full bath pool home in the gated community, Esplanade of Tampa. Inside no details were spared as there is new 9" wide LVP that flows through the main living areas, kitchen, and laundry room. Crown molding throughout, custom plantation shutters, motorized shades on the sliders along with flush mounted surround sound. The kitchen offers a walk-in pantry and an electric glasstop range but there is a gas hookup ready to go if you prefer cooking with gas. Bedrooms feature luxury carpet and custom closet systems. The primary suite has dual vanities and a massive walk-in closet. The laundry room adds a built-in drop zone. Outside you find motorized Category 5 rated hurricane screens that surround the large extended lanai, where a paver pool deck, and an outdoor kitchen overlook the fenced yard and mature landscaping. A tile roof, hurricane shutters, tankless gas water heater, whole house water filtration and softener, central vac, security system, irrigation, paver driveway, and a 3 car tandem garage with overhead storage racks complete the package. Ask about preferred lender incentives! Buyers may qualify for rate buy down options, including a 1-0 buy down, to help lower payments.
