About this property

Virtually Staged. Welcome to Cordoba at Beach Park! This beautifully maintained community offers and amazing location with easy access to so much of what makes living, working and playing in the Tampa Bay area amazing. This move in ready two bedroom, two bath townhome style condo features 1,234 square feet and an incredibly flexible floor plan based on how you live. Located on the quiet backside of the community, the ground floor has a super deep one car garage with dedicated laundry space (and a brand new washing machine that stays). There's plenty of room for your vehicle with storage space to spare. A convenient interior door provides access to the entry foyer directly from the garage. The second floor features the primary living space - complete with tall ceilings and crown moulding. With the well appointed kitchen located in the center of the room, YOU get to choose how the remaining living space works for you. In it's current configuration, the dining area is set up at the back of the unit. A sliding glass door opens to a Juliet balcony that overlooks green space on the edge of the community. The current living room is set up to overlook the front of the building and can accommodate multiple furniture configurations. The crisp painted staircase leads up to the third level with the a split bedroom floor plan. The large primary bedroom is at the back of the unit and features a full ensuite bath and large walk in closet. At the opposite end of the unit is the secondary bedroom with its own walk in closet and direct access to the second full bath. Cordoba at Beach Park offers amazing, resort style amenities including a community room, billiards room, theater room and stunning pool with plenty to loungers, tables, chairs and umbrellas. The reasonable monthly condo fee master insurance policy (including flood insurance), water, sewer and trash. No flooding or loss of power during the 2024 Fall hurricanes. With the planned redevelopment of the WestShore Plaza, Cordoba at Beach Park will be front and center for the project that some say will transform Tampa's Westshore District for the future. If nature is more your thing, you'll love the nearly 7 mile Howard Frankland Bridge Pedestrian/Bike Trail that takes you into St. Petersburg. There's something for everyone to love here - don't miss out!
