Property overview

About this property

Completely updated home in the Plant High school district, conveniently located just minutes from grocery/dining/shopping, and only 6min to Tampa International Airport and 8min to Downtown Tampa. This three bed, two bath block home located in flood zone X was completely renovated in the last 6-7yrs, including roof, HVAC, tankless water heater, appliances, and modern design and finishes throughout. The open Living room and Kitchen are perfect whether you're hosting guests or enjoying a relaxing night in. The dining space easily fits a table for six, but with the first full bath adjacent, has the potential to become a 4th bedroom suite if desired. Beyond the kitchen are three bedrooms, with the largest featuring an ensuite bathroom with oversized floating vanity and a sleek walk-in shower. There is a paver walkway that leads to the large covered patio and the fenced back yard. Currently furnished as an office, but originally built and still perfectly laid out as a single family home. Located in an A+ rated school district and in one of the most central and accessible locations in Tampa.
