Property overview

About this property

Looking for a renovation opportunity with room to work with? Situated on an approximately 0.215-acre corner lot in Zephyrhills, this property offers a combination of interior space, outdoor room, and flexible possibilities. The approximately 1,131-square-foot main home is currently configured with four bedrooms and 1.5 bathrooms and features central A/C. A separate 384-square-foot finished former garage provides additional flex space with its own entrance, bathroom, and window A/C. Additional features include covered parking, a screened porch, and a fenced yard. The property needs repairs and updating throughout, making it an opportunity for buyers ready to take on a renovation project. The detached space is not included in the stated heated living area; buyers should verify permits and allowable use. Bring your vision and explore the potential!
