Property overview

About this property

Do you love the charm of a historic Mediterranean home, but don't want the upkeep? Welcome to 5821 Interbay Blvd. Built in 2004 this solid block home offers modern convenience with old world charm. You are welcomed into the home through a charming courtyard complete with bubbling fountain and low maintenance landscaping. The home feels much larger than the square footage because of the well designed floor plan. The first floor is light and bright with most rooms having a view of the lovely covered patio and backyard. Separate living and dining spaces offer flexibility in the floor plan and there is also a first floor guest room/office with attached bath. The kitchen has classic cabinets, granite countertops and stainless appliances, with a large breakfast bar and a closet pantry. Upstairs you will find the large primary bedroom with en-suite bath, that overlooks the back yard from a small balcony. Also upstairs are two more bedrooms, a full bath and the laundry room. A hidden playroom can be accessed through one of the bedrooms, into the fully finished attic space. This property offers a low maintenance yard with turf in the back play area. The playset is an added bonus for the little ones! The free standing 2 car garage is accessed through an automatic gate. Zoned for top public schools Ballast Point Elementary, several IB and magnet middle schools nearby, and the highly regarded Robinson IB High School. All of this in South Tampa close to the iconic Bayshore Blvd., and a short drive to Hyde Park Village, downtown Tampa and the beaches of St Pete. Call today for your private tour.
