Property overview

About this property

Wake up to Intracoastal water views and a downtown Clearwater skyline from this 6th-floor, 2-bedroom, 2-bath waterfront condo. Sunrises, sunsets, boat traffic, and city lights are all part of the daily view. The condo is ready to live in as-is, but it's dated and ready for a new owner's personal touch. Flooring is the most obvious upgrade, and the rest is a blank canvas. Bring your vision and build equity with a renovation you design yourself! The big-ticket items are already done-the AC was replaced in 2019, and the water heater in 2024. Electric storm shutters are in place for hurricane season, and an in-unit washer and dryer means no shared laundry room. The HOA fee covers nearly everything—just pay for electricity, cable, and internet. The location is ideal—just steps from Coachman Park, The Baycare Sound, Seminole Boat Ramp, Francis Wilson Playhouse, and an array of restaurants and shops. With so many exciting new developments on the horizon like the new Ballard Hotel, and the \$50M EVO Entertainment complex coming to downtown Clearwater, now is the perfect time to invest in this vibrant area. Don't miss your chance to own a waterfront gem in one of Clearwater's most desirable neighborhoods—get in before it's too late!
